

Bid Announcement

The Minnesota Department of Natural Resources is seeking beaver trappers to complete contract work across northern Minnesota through October 15, 2018.

Work involves removing beaver and beaver dams from specific wild rice lakes and outlets. The project is large in scope, covering 67 lakes in 12 counties. Because of the large scale of this project, the lakes have been organized into smaller bid groups, and the work has been divided into 2 bid packets – Northwest Minnesota and Northeast Minnesota.

Interested trappers must submit their bids and all required documentation by **2 PM on Tuesday, June 5, 2018.**

For more information and a bid packet, trappers should contact:

Northwest MN bid packet
